Ski testing, warm-up and training

- Competition courses can be used when they are open for training. **Only ski in course direction.**
- Ski test area next to the service area, south of the stadium. Follow sign-posting.
- The ski test area will be groomed in the same way at the same time as the competition courses.
- Warm-up can be done in the ski test area and other tracks, south of the ski test area.
- On Saturday, during the sprint competition, the rest of the competition tracks outside the sprint course can be used for training.

Fluor testing

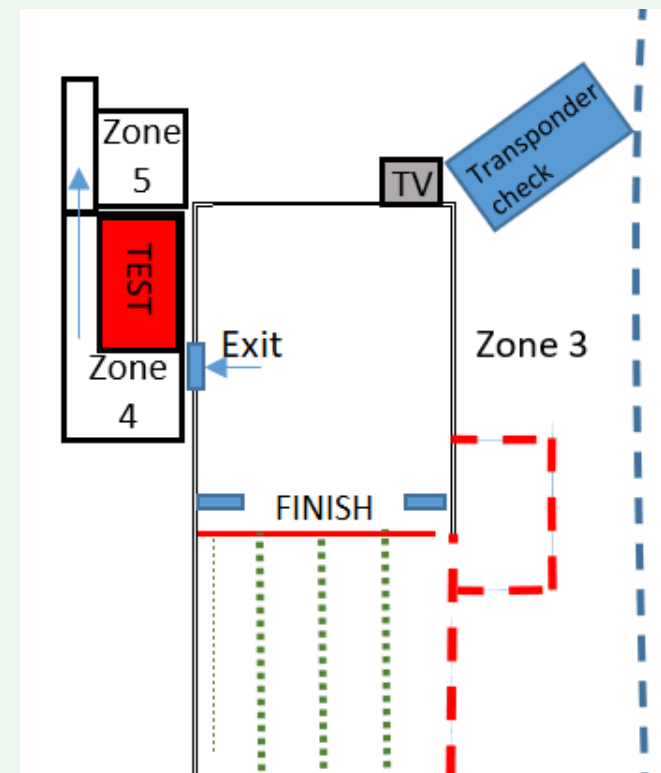

- All skis must be marked with start number, name and club before the start.
- Stickers for ski marking can be picked up at the race office. The sticker should be placed on warm skis, and behind the binding.
- After finish the skis shall be placed in Zone 4 for fluor control.
- After the fluor test is done the skis can be picked up in Zone 5.

Sprint Qualification

- All skis shall be placed in Zone 4 after qualification and picked up in Zone 5 – as other competition formats

Sprint Finals

- All skis shall be placed in Zone 4 after each heat/final.
- Competitors qualifying for Semi-finals and Finals can pick up the skis in Zone 3 in the start area before their next heat.
- No waxing/treatment/adjustment to the skies between the finals are allowed.
- After the Final and for competitors not qualifying for Semi-finals or Finals, the skis can be picked up in Zone 5 after the fluor test is done.

Start Number

- Starting bibs can be picked up by the competitors at the race office.
- Two transponders will be used during the races – 1 personal and 1 from the organiser. The organiser's transponder is picked up at the race office together with starting bib.
- Transponder check is possible at the race office.
- Starting bibs and the organiser's transponder shall be returned after each competition in the finish area.
- In Saturday's sprint, the same starting bibs will be used in the qualification and finals. Leg number bibs can be picked up from the race office before the Finals.
- Anyone who do not finish the race MUST notify the race office.
- Destroyed or lost starting bibs will be invoiced the competitors club - 800 NOK

Prize Giving

- Top 6 in each class each day will be awarded as soon as possible after finish.
- Participant prizes to **ALL** competitors can be picked up at the race office.
- Prize giving seremonies: No skis or other equipments during the prize giving ceremony. (ICR 207.1.1)

Doping Control

Doping control may be conducted, following NIF and Antidoping Norge rules.

Parking

Parking at designated areas the Lygna Skisenter.
