A wide-angle photograph of a snowy mountain landscape at dusk. The foreground is a smooth, snow-covered slope with long, dark shadows cast by small, snow-laden evergreen trees. In the middle ground, more trees are scattered across the rolling hills. The background shows a dense forest of evergreens under a sky with soft, golden light from the setting sun, partially obscured by wispy clouds. The overall mood is serene and cold.

Hvordan?

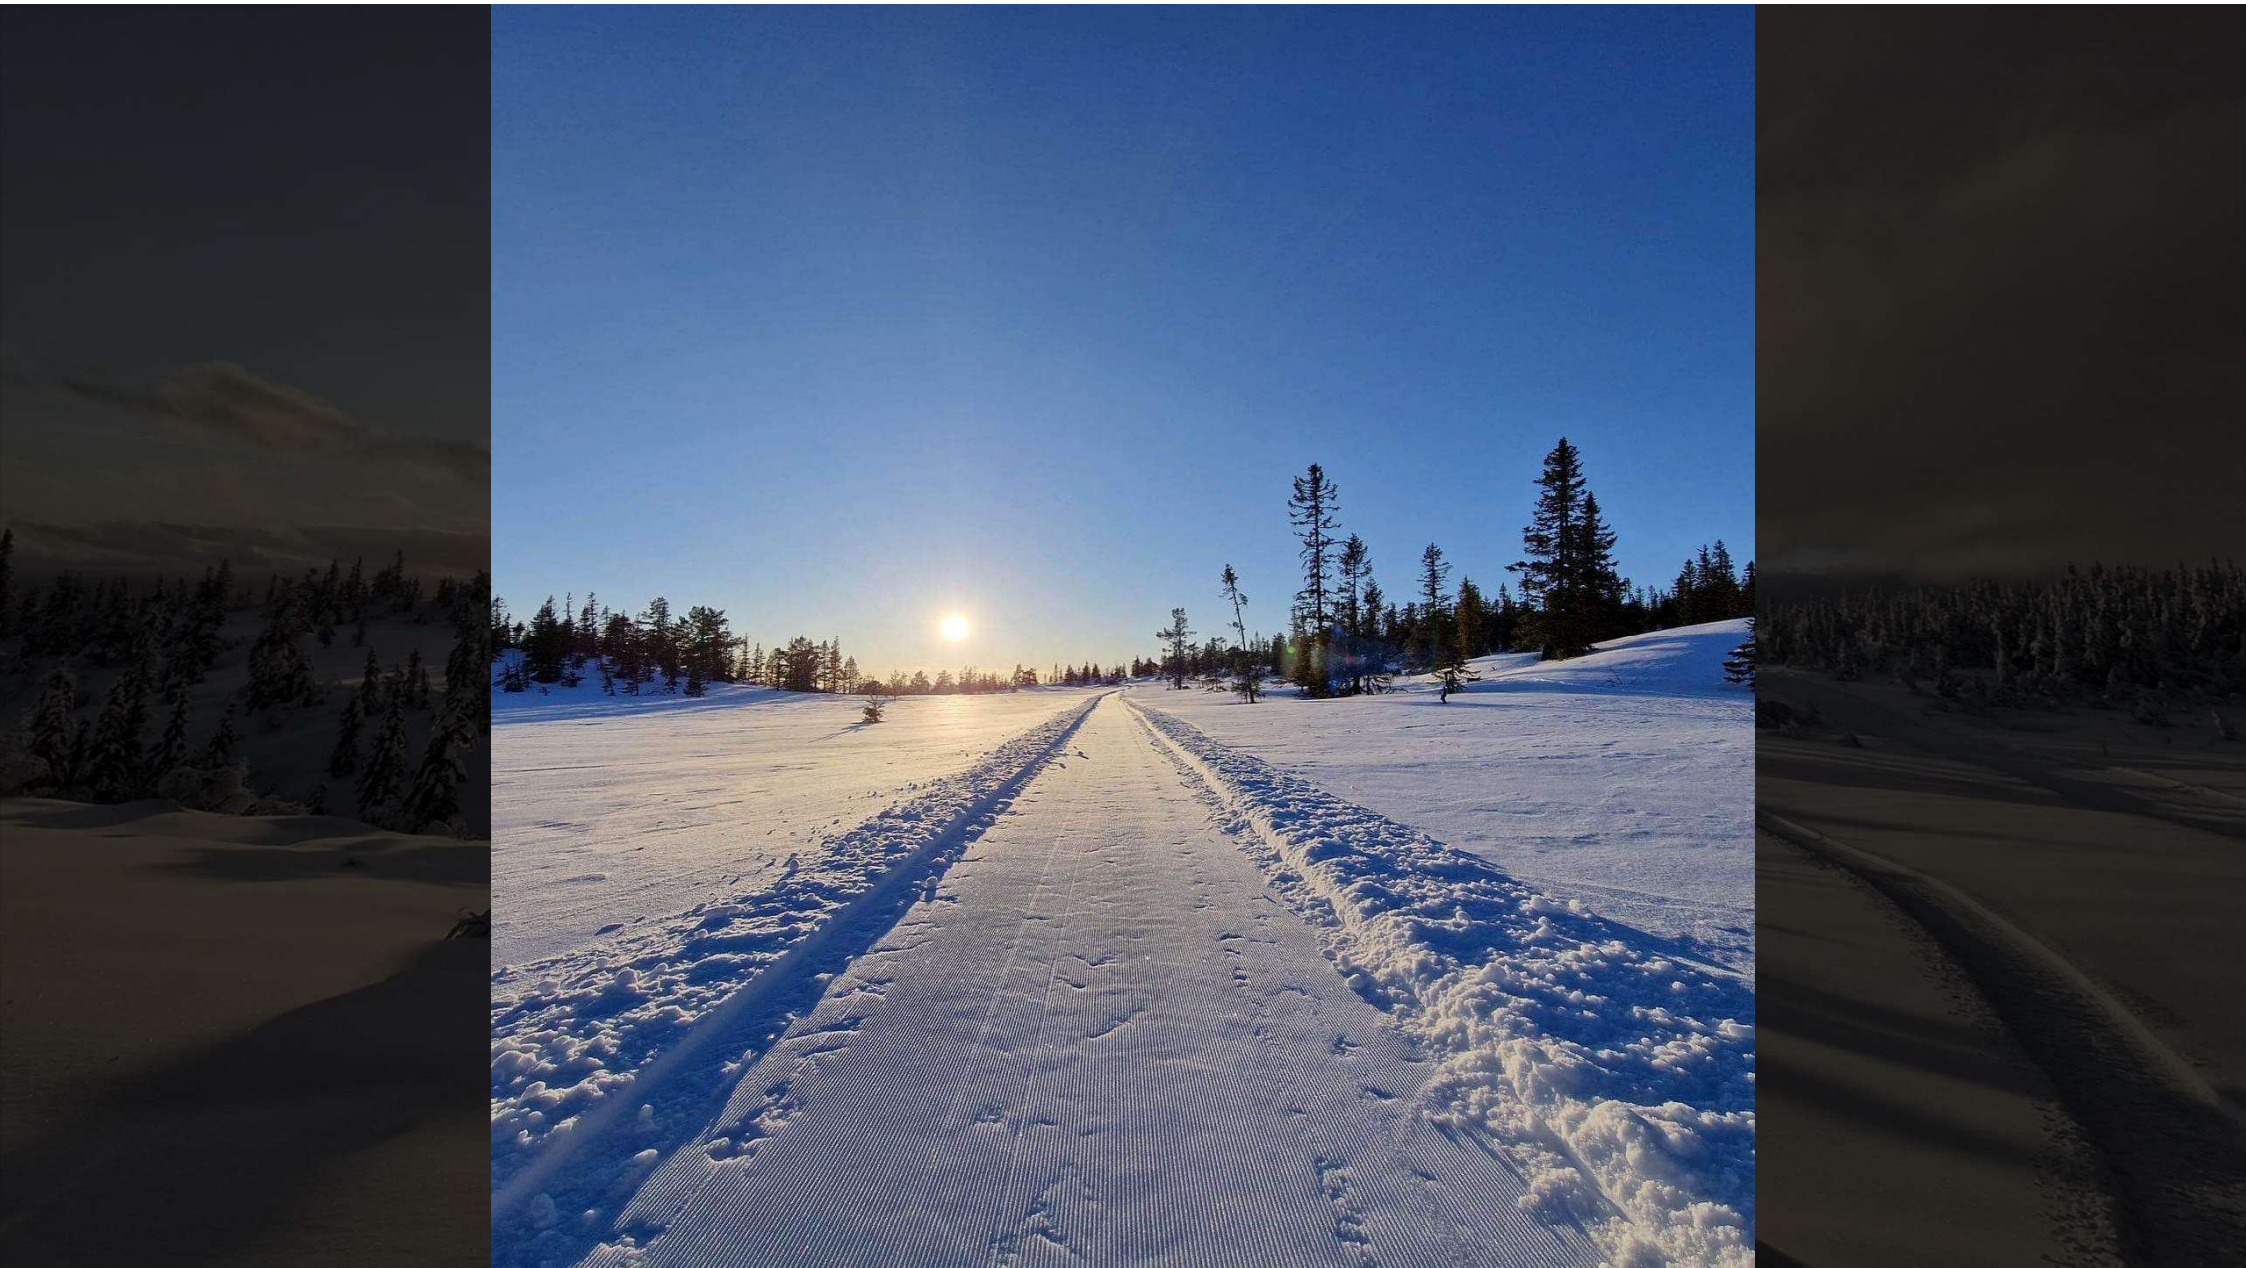

A wide-angle photograph of a snowy mountain landscape during the 'blue hour' of sunset or sunrise. The sky is a mix of deep blues and oranges, with soft clouds. The ground is covered in a thick layer of snow, and numerous evergreen trees are scattered across the scene, some heavily laden with snow. Long, dark shadows are cast across the snow from the trees and the low sun, creating a dramatic and serene atmosphere.
