

# Hello all teachers!

NSA has developed a number of activities that can be used as part of education programs. You can find them all on [barnas.skiklubb.no](http://barnas.skiklubb.no). There are also tips and ideas to activities that are not relying on snowy conditions.

We hope this can be of help when you are going to create fun and excitement for the children!

## Sport fun at school

At [idrettiskolen.no](http://idrettiskolen.no) you will find a collection of school activities for skiing, orienteering, athletics, swimming and golf.

## Online Ski Distance Registration

You can create a personal profile where you register all the ski related activities you are doing.

## aktivitetsbanken.no

A site with tips and ideas for various sport activities.

## The School on skis competition

### Which school is best at skiing?

On [barnas.skiklubb.no](http://barnas.skiklubb.no) can you and your school compete with other schools from all over the country. Bring your teacher and friends along! You just register the distances you are skiing, no matter which discipline!

You can keep track of how your school is doing on [barnas.skiklubb.no](http://barnas.skiklubb.no). You can also find out who's the best class or group at your school. Maybe you feel like challenging another school?

Nice prizes and diploma to the best schools!

### Children's Ski Pin

By using the distance registration it's easy to see if the children qualify for the Children's Ski Pin.

Use the pins to motivate the children. They can be ordered at [barnas.skiklubb.no](http://barnas.skiklubb.no)

## Organizer equipment

The equipment is free and can be ordered from [idrettsbutikken.no](http://idrettsbutikken.no)

## The Skibread

Din Baker og NSA are together responsible for The Skibread. 30 øre from each bread sold did last year give 255 772 NOK to Barnas Skiklubb and NSA's Skiing at School project. You can find more information about this at [skolenettet.no](http://skolenettet.no) under "matstart".
