Frequently Asked Questions

You can find an extensive Q&A database with the most frequently asked questions about the FIS World Cup Risk Management Covid-19 Testing Protocol and the FIS Covid-19 Prevention Guidelines [here](#).

You can also submit your questions and the answers will be added to the Q & A list asap.

FIS Webinars

To inform about the latest developments, measures and activities in relation to FIS Covid-19 prevention for the upcoming winter competition programme, FIS is hosting webinars for the involved stakeholders.

Webinar dates

9th of September, 2020: Covid-19 Prevention Risk Management Seminar 1

You can find a recording of the complete webinar [here](#).

FIS PASSPORT application

1. Database contains all **Events (race series)** and **LOC Information**
2. Accredited persons (with exception of LOC volunteer groups) to **register personally** in the system (Additional Data Privacy Policy in place)
3. Select Events participating (“**apply**”) and
 - a. add **Covid-19 Test** results (will also be saved in Test history)
 - b. fill in **Whereabouts** for defined **period** (14 days)
5. Pre-event **health** questionnaire will be sent 6 days prior to first race (+daily health check)
6. Status reviewed for participant by LOC as defined by its protocol/rules

Log-In Details

Go to <https://fispassport.fis-ski.com/fis/>

Enter FIS Passport Access Code: **FIS2021** (the password is case sensitive.)

Health Questionnaire

Dear John Doe,

due to legal regulations relating to Events and COVID-19, we are obliged to ask you some Wellbeing questions before granting you access to the event venue.
Answer the questionnaire as soon as possible – before you pick up your accreditation.

Please indicate via the links below how you want to respond to your **Wellbeing Questionnaire**. Please answer the questions to the best of your knowledge with a "No" or a "Yes".
The questionnaire consists of 5 questions. If you answer via WhatsApp or text message it takes a few seconds till the automatic chat starts, please be patient.

There are three options for the completion of the **Wellbeing Questionnaire**:

- 1) Completion of Questionnaire via Webform:
[WebForm Questionnaire](#)
- 2) Completion of Questionnaire via WhatsApp:
[WhatsApp Questionnaire](#)

Send the word **B6VG-J3XY** to **+43 676 800787355** to start the questionnaire.

Web Form Questionnaire

Language/Sprache

English

Have you had any cold symptoms (cough, runny nose, sore throat, difficult breathing) during the last 14 days? Yes/No

- Yes
 No

Have you had any of the following symptoms: fever, chest pain, headache, nausea/vomiting or diarrhea during the last 14 days? Yes/No

- Yes
 No

Have you been in contact with someone with a proven COVID-19 infection in the last 14 days? Yes/No

- Yes
 No

Have you been in quarantine during the last 14 days? Yes/No

- Yes
 No

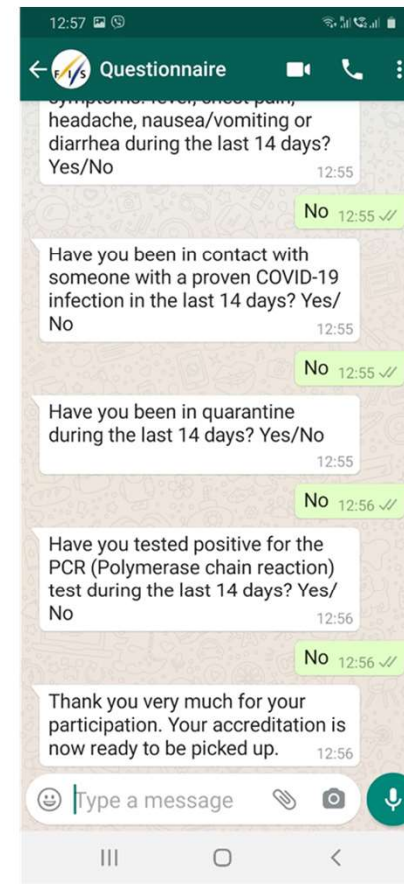

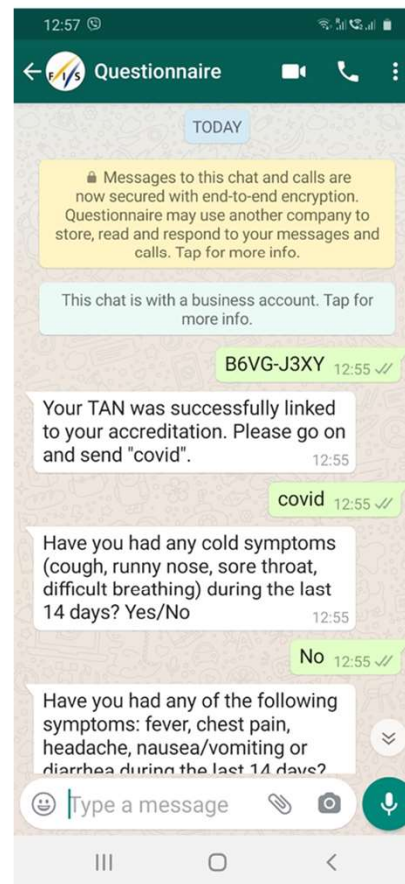

Have you tested positive for the PCR (Polymerase chain reaction) test during the last 14 days? Yes/No

- Yes
 No

The accreditation and your access to the event site cannot yet be approved, as you do not meet all of the FIS Passport Health and Safety guidelines. The COVID-19 officer will contact you about the further procedure.

WhatsApp Questionnaire

LOCs Portal

FIS PASSPORT – DATA LINK FOR LOC'S

this solution module is free of charge for LOC's – we implemented this now in the FIS Passport Application

We have foreseen the following GDPR compliant procedure, based on the data needed for the LOC:

The LOC gets a specific login to see and eventually download the actual status of the participants, who registered in the FIS Passport Application for this specific event. If this event is postponed or shifted, the login remains the same.

The LOC gets the data only for people who registered for event:

- In specific, this is the information if the participant submitted per-event questionnaire, submitted the Whereabouts and completed the health questionnaire.
- Additionally, information about registered and uploaded event related Covid-19 tests, concerning the above-mentioned people are visible.
- Information can be shown per participant or shown as full list and the full list can be downloaded as Excel sheet for further processing or import to other systems.

If the LOC is using the LOC PASSPORT System, the event relevant data from FIS PASSPORT will be imported automatically to the LOC PASSPORT SYSTEM.

NO double registration would be necessary, as the registration is done anyhow at the FIS PASSPORT System for this specific event.

This offer supports and eases the onboarding and registration, but specifically also the LOC need of detailed documentation about the health measurements taken.

NSAs Portal

MANAGEMENT PAGE NSA

this solution module is free of charge for NSA's

The NSA's will have an overview page with a dedicated login (TAN code) for each NSA in order to check the status of their athletes/members within the FIS PASSPORT SYSTEM.

Functionalities:

- Status per NSA to be downloaded as CSV/Excel file
- Link to landing page for each NSA with login:
 - Filter on NSA, Country, discipline, gender
 - Status (completed / pending) – with the following status criteria:
 - Test-upload done
 - Pre-Race Questionnaire done
 - Whereabout done until the day before query (d -1)
