\* In the individual and sprint cross country races the team consists of 6 racers. Only the 4 best of these 6 will count in the calculation of points.

Invitation and entries:

The organiser must invite the Nordic countries DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE.

Additionally invitations should be sent to other countries, e.g. GER-POL-RUS-BLR-UKR and other nations.

The invitation must be sent at latest 2 months before the competition.

Entries, with the number of competitors and leader, for each of the national teams must be made 1 month before the competition.

Entries with the names of competitors and leaders must be made at latest 1 week before the competition.

Participants outside the national teams must send their entry within 2 weeks before the competition.

The organiser will offer accommodation for the national teams. Participants outside the national teams will provide their own accommodation.

The Nordic nations DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE must describe the nations' teams for the Nordic Competition: In Cross Country 6 of each sex, in jumping 6 (also Ladies) and in Nordic Combined 6.

Additionally: Athletes outside the nations' teams can enter the races, in unlimited number. These athletes will not count in the nations' competition. If a participant outside the national teams wins one of the individual competitions, the winner will be named as individual Nordic Champion.

Sectioning and grouping:

*Cross Country race and Sprint race:*

Section 1: Athletes from all nations who are outside the nations' teams. The jury will decide the grouping inside section 1.

Section 2: The teams in the Nordic Junior competition. The Section 2 will be divided into 3 groups, group I - III, (group III is the "best" group, and normally starting last) each with 2 competitors from each of the teams for the Nordic Junior Ski Championship.

For the draw the principles are given in the ICR art. 334 - 335.

*Relay, and N. Combined team Sprint:*

The names of each team, with substitutes, are entered not later than on the captains' meeting the evening before the relay race. The exact starting order within the relay team must be delivered at latest 1 hour before the start, and cannot be changed.

The first team of DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE have the lowest start numbers (these are drawn). Then all the other teams will be drawn with the following start numbers.

*Nordic Combined and Nordic Combined Sprint, the jumping competitions:*

Section 1: Competitors from all nations who are outside the nations' teams.

Section 2: The teams for the Nordic Competition, and other competitors. Section 2 is divided into 4 groups, each with one competitor from each of the teams for the Nordic Competition.

The combined jumping competition is carried out before the special jumping competition.

The combined cross country race is carried out according to the "Gundersen" method.

*Jumping, individual competition:*

The grouping will normally be made at the team captains' meeting.

Section 1: Competitors from all nations who are outside the nations' teams.

Section 2: The teams for the Nordic Junior Competition. Groups as above under nordic combined.

*Jumping, team competition:*

The team of 2 competitors with their starting order must be delivered at latest on the captains' meeting the evening before the competition. All 2 competitors will count (not according to FIS rules).

The calculation of points for the Nordic Junior Ski Competition:

The nordic nations DEN-EST-FIN-ISL-LAT-LIT-NOR-SWE will count in the Nordic Junior Ski Competition, only with the teams designed for this competition.

*Cross country individual race and sprint race:* Points 13-11-10-9-8-7-6-5-4-3-2-1 for the places 1 - 12, with a maximum of 4 competitors from each team of 6. (I.e. if a nation has 5 competitors among the 12 best, only the 4 best of these 5 will count, and no 13 will count, and so on.)

*Cross Country relay race, Jumping team Competition, and Nordic Combined team sprint:* Points 14-12-8-6-4-2 for the places 1 - 6 (2 teams from each nation will count, i.e. 8 teams, thus no.7 and 8 will not obtain points).

*Jumping, Nordic combined sprint, and Nordic combined individual:* 13-11-10-9-8-7-6-5-4-3-2-1 for the places 1 - 12. 4 competitors from each country will count.

- Economy: Each nation carries its own costs.  
The organiser is obliged to offer accommodation to favourable cost for the competing nations. There should be accommodation offers available for World Cup prices (**max CHF 125 full board**), so that the nations can choose.
- Entry Fee: The entry fee will be maximum EUR 20 per start per person.
- Prizes:
- 1) For the Nordic Junior Competition there shall be a trophy to the winning nation organised and purchased by the organising federation.
  - 2) There shall be a trophy for the best nation in each discipline: Cross Country, Jumping and Nordic Combined, organized and purchased by the organising federation.
  - 3) In addition to the nations' prize, the best competitors (or teams) in all the competitions will obtain a medal or a memory prize, purchased by the organising federation.  
In each competition there will be prizes carried by the organiser, according to the FIS rules.  
For the relay in Cross Country and the team competition in ski jumping, the organiser will have to give adequate prizes.
  - 4) The "Nordic Junior Champion" in each individual competition will have a special Prize (trophy).
- Language: The organiser must use at least English in addition to the country's own language, both at the stadium (speaker) and at the team captains' meeting.
- TD's and judges: TD's of jumping, cross country and Nordic Combined are nominated **by the organising nation**, and will usually be from the organising nation.  
The jury of **Cross Country** will consist of: **TD, Chief of competition, chief of course, and two foreign leaders.**  
**The jury of Jumping: TD, chief of competition, TD ass**

**The jury of Nordic Combined: TD, chief of competition, TD ass, chief of the Cross Country course.**

**Judges in jumping:**

**NOR, SWE, EST and FIN will send at least one judge for the jumping competitions. The cost of this judge is carried by the participating nation. Additionally the organising nation will appoint the necessary number of judges.**
