teamservice (at) lahtiskigames.com

Entries

Latest Wednesday 28.12.2016, 19:00 (EET)

Entries website: <https://signup.eqtiming.no/?Event=Lahti>

Entering more than one athlete at the same time is possible only with specific password given by the results provider EQTiming. Each NSA who is officially part of Scandinavian Cup will automatically receive their own password for entry system from EQTiming.

Organizers wish that athletes do their entries either through their own national ski association or individually by themselves. If needed, extra passwords can be requested from EQTiming by email support (at) eqtiming.fi

Entry fee

20€ per athlete / day / competition

Preliminary entries

Preliminary entries must be done by each NSA by email to teamservice (at) lahtiskigames.com at latest 12.12.2016. Each NSA should inform the estimated amount of athletes and officials, and needs for waxing facilities. Athletes please contact your own national ski association for preliminary entries.

SRS companies should as well do preliminary entries by email to teamservice (at) lahtiskigames.com at latest 12.12.2016. Please inform your wax cabin needs and possible waxing trucks.

Wax cabins

Each NSA will receive one wax cabin without cost. No wax cabins for teams coming with their waxing trucks. Wax cabins can be reserved with cost of 840 EUR/ weekend. Due to the limited amount of wax cabins available, no wax cabins can be guaranteed for the teams and SRS companies who didn't send their preliminary entries before the deadline 12.12.2016. Final wax cabin reservations and wax truck details must be sent to teamservice (at) lahtiskigames.com at latest 28.12.2016.

Accommodation

There is accommodation available in different categories in Lahti city center area and max 30 minutes' drive from the competition venue.

For room bookings you can contact directly to the hotels.

More information about the hotels and contact information you can find from <http://www.lahtiskigames.com/en/accomodation-options-lahti-area>.

Radio phones

Radio phones can only be used with permission of the Finnish Communications Regulatory Authority (FICORA). Please find more information at www.ficora.fi.
